

# **Insurance Bonding**

## **Insurance**

The insurance companies underwriting O'Rourke Wrecking Company's policies hold A.M. Best's ratings of A. USI Insurance has been the primary insurance agent for O'Rourke since 2000. Coverage includes comprehensive general, automotive, umbrella, pollution liability and worker's compensation.

It should be noted that our insurance specifically includes coverage for demolition operations. Many other firms proposing to execute demolition work do not have coverage specifically as a demolition specialty contractor.

## **Licensing**

We work Coast to Coast, since starting operations O'Rourke has worked in 40 States.

O'Rourke is currently licensed to work in the 15 states and many municipalities that we most frequently service. Our team's credentials are such that licensing in other states and jurisdictions can be obtained without delays.

## **Bonding**

USI and Hartford Fire Insurance Company have worked with O'Rourke providing bonding for 40 years. No claims have ever been made against a bond. O'Rourke current aggregate bonding capacity is \$50 Million with a \$20 Million single project limit.

Hartford Fire Insurance Company is listed on the U.S. Treasury Department's Listing of Approved Sureties (2009 Department Circular 570), and is rated A. Excellent with a Financial Size Category of XV by AM Best Company.
